Virtual Hill Day

FPCI staff participated in NFPRHA's Virtual Hill Education Day to advocate for Title X with Iowa Senators and Representatives. We were able to meet with staff from Reps. Miller-Meeks, Nunn, Feenstra, and Hinson as well as Sens. Ernst and Grassley. We had many good conversations and showed the significant impact FPCI and Title X has in Iowa communities. Our goal was to gain support Title X funding and the Right to Contraception Act. Contact your [legislators](#) to let them know how important it is they support these issues!

New Office Location

FPCI is moving to West Des Moines! After 22 years in our current office, we have signed a lease and plan to move later this month. Saying goodbye is bittersweet, but FPCI is ready for a fresh start in a new location. Stay tuned for more information to come.
