

Request a Repro Kit Today

What is a Repro Kit?

A repro(ductive) kit is a collection of **reproductive and sexual health tools** that you can **request** to be sent to your address **for free**.

All Repro Kits Contain:

1 Educational booklet with information about all included items and more

2+ Condoms **2** Packets of lube

2 Doses of Emergency Contraceptive (morning-after) pills

How to request a kit

1 go to:
fpcouncil.org/request-a-repro-kit/
or scan this QR code

2 Fill out the form

3 You will receive your kit in **approx. 2 weeks** in **discreet packaging**

Don't need a kit but want to help?

Consider donating to help lowans in need receive repro kits
